Dear Franklin Boys Preparatory Academy,

It is with great pleasure that I congratulate you on your commitment and dedication to your community as you continue to fundraise for Florida's first Gold Star Families Monument.

There is never enough that we can do to show our appreciation and gratitude to those that have risked their lives to serve our country. They give themselves for the sake of others and for that, we are truly indebted to these brave men and women. The Gold Star Families Monument will forever honor them and their family members.

On behalf of the Fourteenth Congressional District of Florida, I thank you for all that you have done thus far, and all you will do in the future. It is essential that our community honors and thanks our servicemen and their families for the greatest sacrifice one can give.

Sincerely,

A handwritten signature in blue ink that reads "Kathy Castor".
