Roy Trembly and Dave Smith have been named honorary members for the Hershel “Woody” Williams Medal of Honor Foundation Board.

Trembly is chairman and Smith is co-chairman of the Sgt. Bob O’Malley Detachment’s Gold Star Family Monument/Marietta committee formed to place a Gold Star monument at Lookout Park in Marietta.

“We expect it to be a lot of work but we feel our detachment is up for the job. Marietta is a wonderful family community; it’s a perfect place for this beautiful and peaceful monument,” said Smith, a lifelong resident of Marietta.

“Please visit the website www.hwwmohfoundation.org, click on monuments, go to the lower part of the page, click on [Marietta](#). It will take you to the Gold Star Family Memorial Monument/Marietta page. Read about our monument and please click on donation, any amount will be welcome. Thank you,” said Smith.

Trembly said, “Dave’s right; this community has been very encouraging. At the moment we’re working on bringing Woody Williams, a Medal of Honor recipient at Iwo Jima during World War

II, to Marietta to speak about the Gold Star Family Memorial Monument. The public will be welcome to come. As soon as a date is set it will be announced.”
